### CONTACT US FORM

A hand-drawn sketch of a contact form. It consists of a large rectangular box containing several input fields and controls. At the top left is the label "Name" above a long rectangular input field. Below it is the label "Email" above another long rectangular input field. To the right of the email field is a small square checkbox containing a checkmark, followed by the text "Sign up for updates". At the bottom left is a small square button labeled "Send".

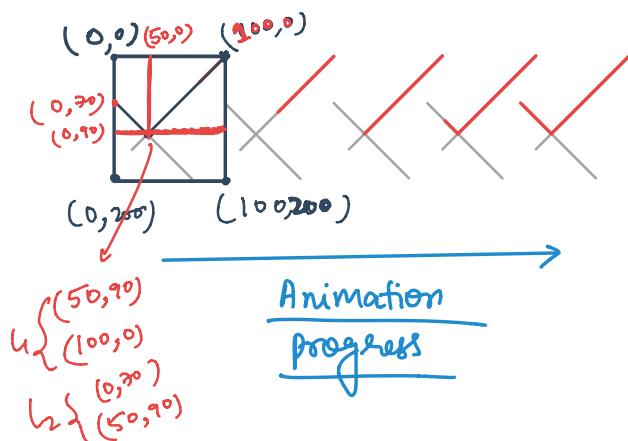

When submit is pressed. ↗

form morphs to

JavaScript  
way
